

13th CLMC Program At A Glance ~ Scientific program (subject to change)

Page 1/3

18th November 2017, Saturday

Plenary Lectures

Dr. Chris Tsun Leung CHAN Hong Kong Sanatorium & Hospital, Hong Kong	New Strategy for Heritable Disease Screening in Embryo - Insight from Single Cell NGS Analysis
Dr. Thomas Shek Kwong WAN The Chinese University of Hong Kong, Hong Kong	Using Molecular Cytogenetics for Blood Cancer Prognosis and Treatment
Dr. Jiahai SHI City University of Hong Kong, Hong Kong	Controlled Hematopoiesis for Future Application
Dr. Jacky LAM The Chinese University of Hong Kong, Hong Kong	Blood-Based Liquid Biopsy for Cancer Diagnosis
郑磊教授 南方医科大学，中国	<i>To be confirmed</i>

Medical & Molecular Genetics

Chairperson: Dr. Thomas Shek Kwong WAN

姜泰安教授 中華醫事科技大學，台灣	基因與精準醫學的最新發展
----------------------	--------------

Haematology & Transfusion Science

Chairperson: Dr. Cheuk Kwong LEE

Dr. Jenny HO Queen Mary Hospital, Hong Kong	Laboratory Testing for Transplantation and Immunogenetics in Hong Kong
Dr. Sydney YUEN Royal Prince Alfred Hospital, Australia	Gelatinous Transformation of Bone Marrow

Clinical Chemistry

Chairperson: Dr. Joseph Sai Kit LEE

Dr. Danny GOHEL Tung Wah College, Hong Kong	Lessons Learnt from the Melamine Incident of Paediatric Stones: Toxicity and Inflammatory Response of Melamine Cyanurate
--	--

13th CLMC Program At A Glance ~ Scientific program (subject to change)

Page 2/3

19th November 2017, Sunday

Plenary Lectures

Dr. Timothy Tak Chun YIP The University of Hong Kong, Hong Kong	Contribution of Next Generation Sequencing Tests in Selecting Anti-Cancer Targeted Drugs for Treatment of Cancer Patients
Dr Hsin-Chih LAI Chang Gung University, Tao-Yuan, Taiwan	Using Herbal Medicine and Gut Microbiota for the Modulation of Obesity

Anatomical Pathology

Chairperson: Dr. Timothy Tak Chun YIP

Dr. Joshua CH KAN St. Teresa Hospital, Hong Kong	Anatomical Pathology and Molecular Diagnostics - Where Are We?
Mr. Jee SHUM Sino-Image Company Limited, Hong Kong	Quality Control in Immunohistochemistry
Dr. Patrick LAW DiagCor Biosciences Inc. Ltd, Hong Kong	Digital Measurement for HER2 Amplification in HER2 Equivocal Breast Cancer Diagnosis

Medical Microbiology & Virology

Chairperson: Dr. Wing Cheong YAM

Dr. Jonathan HK CHEN University of Hong Kong, Hong Kong	The Use of MALDI-TOF Mass Spectrometry with Mass Peak Analysis for Rapid Identification of Closely Related Bacterial Species
Dr. Gilman Kit Hang SIU The Hong Kong Polytechnic University, Hong Kong	Molecular Diagnosis of Drug Resistant Tuberculosis: The Role of Next Generation Sequencing
曹國倩主任 長庚醫院，台灣	探索台灣社區型肺炎之流行病毒學

Management, QC & QA

Chairperson: Dr. Daniel Chuen Chu TAM

Mr. Dennis MOK Medical Management Consulting Proprietary, Australia	The Advance and Pursuit of Superior Quality in the Implementation of ISO 15189:2012 and ISO 22870:2016
Mr. Watson Wa Sang WONG Hong Kong Children Hospital Commissioning, Hong Kong	Risk Management in Clinical Laboratories

13th CLMC Program At A Glance ~ Corporate symposia (subject to change)

Page 3/3

18th November 2017, Saturday

Sysmex symposium

郭瑋教授

血液分析流程質量管理

上海復旦大學附屬中山醫院，中國

19th November 2017, Sunday

Abbott symposium

Dr Haiyoung JUNG

General Application of 6 Sigma Concept

Abbott Diagnostics
