

8th Asia Pacific Congress of Medical Virology

Viral Diseases: New Challenges - New Solutions

26-28 February 2009

Hong Kong Convention and Exhibition Centre

16 January 2009

Dear Colleagues,

Discounted Registration for Hong Kong Health Care Professionals

We are pleased to advise that the 8th Asia Pacific Congress of Medical Virology would take place in Hong Kong on 26-28 February 2009. During this period experts from every part of the world would gather in Hong Kong to discuss the challenges of emerging viral diseases Asia has been facing during the last decade.

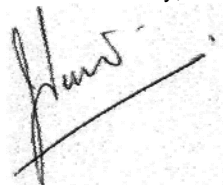

It is our privilege to host this important conference. As many famous experts have confirmed their attendance and speeches, we hope to share this valuable opportunity to the industry professionals and are pleased to offer a special discounted registration for your members. Members of your society could now enjoy a 50% discount on registrations at the per person rate of HK\$1800 for the full registration and HK\$600 for day registration. Discount-registration will allow you the same entitlements as the regular registrations except the congress banquet.

We are also pleased to advise that there would be a satellite symposium from GSK titled "Making Pandemic Preparedness a Reality" in the late afternoon of 26th February 2009, which would be open to all health care professionals free of charge.

A copy of program is attached for your reference with further details being listed at www.mvdm.com/apcmv. We appreciate very much if you could circulate this to your members.

Please feel free to contact our Congress Secretariat, MV Destination Management, at details below for registration or further enquiry.

Yours Sincerely,

Prof. Malik Peiris
Congress Chairman

Prof. Paul Chan
Scientific Committee Chairman
